Specification sheet: Qompact

SWS UK

Common Applications

Security domestic, commercial and office applications.

## Minimum & Maximum sizes

Minimum width	800mm overall
Maximum width	4600mm overall
Minimum height	800mm overall
Maximum height	3500mm overall

Component Detail

Curtain:-

- **Construction:** Aluminium
- **Weight:** 6.2kg per square metre
- **Standard colours:** RAL 9016, 9006, 7016
- **Special colours:** available on request
- **Options:** vision or solid curtains are available
- **Endlocks:** see guide detail
- **Profiles:** Top slat and 8 increasing slats
    - **Replacement slats:** Count must be given from the top slat downwards

| Top slat from top Profile 1	Profile Q2CD #1 Profile 2-6	Profile Q2CD #2 Profile 7-11	Profile Q2CD #3 Profile 12-16	Profile Q2CD #4 Profile 17-21	Profile Q2CD #5 Profile 22-26	Profile Q2CD #6 Profile 27-31	Profile Q2CD #7 Profile 32-36	Profile Q2CD #8 Profile 37 downwards

Bottom Slat:-

- **Construction:** Aluminium extrusion
- **Profile:** AEG400
- **Rubber:** GEA or Electric safety edge

AEG 400

with GEA   or   EKL

57

79

Hood and fascia:-

- **Construction:** Aluminium
- **Dimensions:** 150, 165, 180, 205
- **Options:** Curved, Square, Chamfered

Guide channels:-

- **Construction:** Aluminium extrusion
- **Dimensions:** 76mm (W) x 32mm (D) OR 64mm (W) x 32mm (D)
- **Options:** Security side locking (standard option), Standard side locking

32

76

Guide channel 76 x 32 mm
581920

Security side locking (standard)

Q2 screw 4.5 x 55 mm
415065

Q2 threaded
sleeve 41835

32

64

Guide channel 64 x 32
141552

Standard side locking (price reduction)

Q screw
417455

Axle assembly:-

- **Construction:** Aluminium extrusion
- **Dimensions:** 85mm

Installation:-

- **Guide channels:**
  - Face fix or Reveal
- **Endplates:**
  - Fix to structure

Operation:-

- **Options:-**
  - **Somfy Override motor**
  - **Somfy Non-override motor**
  - **Somfy RTS motor**
  - **Push switch (Standard)**
  - **Key switch**
  - **Somfy Rollixo Control Panel + bottom slat transmitter**

Safety:-

- **Safety brake**
- **Somfy Rollixo control panel for impulse control (optional)**
- **Photo cells (optional)**

Special Features:-

- **150 box with overall height of 1700mm, 180 on a CD150 & CD38**
- **Security rating of 2 with security side locking**
