

Ramsafe is a new company with many new associated products coming soon. Our out of the box thinking deliver superior quality, reliable products.

Using our patent pending weightless action, allows our high strength, heavy weight bollards to operate with minimal effort.

Fitted with an integrated anti-pick radial pin lock for maximum security. Using Corten Steel technology for the cast in socket and mechanism, it forms a rust

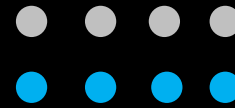

We manufacture a wide range of bollards to suit all applications.

Self raising, auto locking or effortless manual raise and lock bollard with auto close. That stops unauthorized deployment.

RAMSAFE[®]
The New Innovative Retractable Security Bollards

**THE ONLY UNPOWERED
SELF RAISING
HEAVY DUTY
TELESCOPIC
SECURITY BOLLARDS**

Innovate UK

DESIGNED, DEVELOPED,
AND MANUFACTURED IN
THE UNITED KINGDOM

THE BEST POSSIBLE PROTECTION

AGAINST

CAR THEFTS

THERE WERE OVER 48,500 CAR THEFTS LAST YEAR, A 2.3% RISE ON THE PREVIOUS YEAR. MORE AND MORE ARE KEYLESS THEFTS, WITH HIGH END CARS BEING STOLEN TO ORDER.

RAM RAIDS

RAMRAIDS COST UK BUSINESSES, £613 MILLION IN STOLEN STOCK LAST YEAR. THE MAJOR LOSS TO BUSINESS IS THE TIME TAKEN FOR REPAIRS. ESTIMATED TO BE OVER £1.5 BILLION.

ILLEGAL ENCAMPMENTS

IT'S NOT ONLY THE MESS AND DAMAGE TO PROPERTY THAT OFTEN OCCURS, IT'S THE LENGTHY AND COSTLY LEGAL BATTLE TO GET ILLEGAL ENCAMPMENTS MOVED ON. OFTEN TAKING MONTHS.

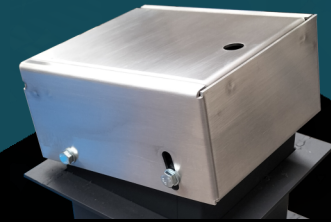

RAMSAFE®

We will design to suit your specific requirements, as to ensure complete satisfaction. Protection from vehicle thefts, ram raids and your land from unwanted vehicle intrusion. In both public and private

BOLLARDS TO BLEND IN WITH ALL SURROUNDINGS

We not only stock our standard range, we also manufacture bespoke bollards. All available in standard RAL colours or bespoke wraps

Optional adjustable lid to prevent trip hazards on inclined surfaces

No need for major groundworks for real heavy duty, affordable protection.

Unlike our competitors who advertise they offer A VISIBLE DETERENT

Offers you ACTUAL PROTECTION
